

Poo Knew?: A log of over 100 facts and figures relating to you and poo

By Emma Royde

Ryland, Peters & Small Ltd. Hardback. Book Condition: new. BRAND NEW, Poo Knew?: A log of over 100 facts and figures relating to you and poo, Emma Royde, Everything you could ever possibly want to know about poop, and a whole lot more! Did you know that blue whales do the biggest poos on the planet - their daily deposits can reach up to several meters in length and are often pink in color thanks to a diet of shrimp. Or that when a dog needs to go it will align itself with the north-south axis of the Earth's magnetic poles? And did you know that the average person spends around three years on the toilet over the course of a lifetime? With so much time spent 'on the job,' it's about time you learnt something about the process you are going through. Poo Knew? will tell you amazing facts and trivia about your deposits, such as the average human produces about 2 pounds of the good stuff every single day, or the longest dump ever recorded was 26 feet, roughly the same height as a two-storey building. After digesting this collection of over 100 fascinating facts, you'll never look...
