His devotional life was key to navigating difficult times. Jesus knew how to systematically get into the presence the Father. Dr. Brown has compiled a forty-day devotional guide to assist believers in their personal devotional studies. This 40-Day devotional guide presents a systematic approach used by the author as he negotiated the wilderness of a wartime deployment and his failure to select for promotion. He learned to journal his journeys through the wilderness. This book contains space for the reader to do the same. Lessons learned can advance our present spiritual development. These valuable lessons can be presented to others. The final added feature is that these devotional stories actually take you onboard a USS Aircraft Carrier. Everyday at sea is unique and challenging. These presented situations take you where Sailors live, work, and eat - a unique perspective of life underway. Readers will come away with a greater appreciation for the unrivaled competence of our sea service personnel and the power of God s Word.
