

History of England: For the Use of Schools (Classic Reprint) (Paperback)

Filesize: 4.04 MB

Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

(Audrey Lowe I)

HISTORY OF ENGLAND: FOR THE USE OF SCHOOLS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from History of England: For the Use of Schools The increasing study of History in our schools is, doubtless, a hopeful sign for the future of the Republic. A free government depends for its honor, if not for its very life, upon the good sense and moral steadfastness of the people; and these may be greatly reinforced by the experience of mankind. And, surely, the history of which we can least afford to be ignorant is that of our mother-country. That branch of the great German race which was planted fourteen centuries ago on British soil, grew, under exceptionally favoring influences, to be the admiration of the world. The history of the long series of popular conquests, nobly won and firmly held, - from Magna Charta to that Bill of Rights which was the prelude to our own Declaration of Independence, - contains a fund of political wisdom which no nation, and ours the least of all, can safely neglect. Though there is a certain literal and obvious patriotism in placing the History of the United States first, or even alone in the school course where but one book can be studied, yet we do well to remember that English History is, in a very special sense, our own; and it is difficult to imagine how the spirit of American institutions can be understood, without some knowledge of the circumstances in Great Britain which led to the formation and afterward to the independence of our earliest states. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books...
