THE STONE AND THE SONG: A FAIRY TALE (PAPERBACK)

Clickworks Press, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.In a world where words are power and magic is song, a voiceless girl must defeat the sorceress who betrayed her. But soon she will find that the evil touches more lives than her own. A sculptor of near-living statues, a fakir with the power of sight, and a band of children chasing dreams in the desert all play their parts. And at the center of it all lies a heart of stone that may hold the secret of unending life. The Stone and the Song is a story of betrayal and of sacrifice, of love and of dreams, of strength in weakness and life beyond death. Wrapped in lush imagery and poetic language, it is a tale that will draw you in again and again.
