INTERVIEW WITH LTC (P) SHARON LEARY (PAPERBACK)

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.Lieutenant Colonel (P) Sharon Leary served as the commander of the 115th Forward Support Battalion which is part of the 1st Brigade Combat Team, 1st Cavalry Division, during her March 2004 through March 2005 deployment in support of Operation Iraqi Freedom. She was primarily responsible for logistical supplies. Predeployment training included rotating units through professional development classes based on information being fed back out of theater with the goal of a seamless battle handoff. Her area of responsibility included the east side of Baghdad - east of the Tigris River and up against the Diyala River. A problem with base locations was that the compounds have Iraqi neighborhoods fairly close to them, leading to a base defense problem. Multiple mortar and rocket attacks led to building segregation and separation lots for supplies to minimize collateral damage from attacks. Her initial deployment impressions included a belief that our Army's reliance on third country nationals and host nation support would take over the first hundred miles of the supply system and then leave the last 10 tactical miles up to the military. However, boots on the ground revealed that the Iraqi area of responsibility, from Kuwait up, was not as stable as it was alluded to. April 2004 was met with anti-coalition forces interdicting the major supply routes. Civilian contractors were walking off the job and refusing to drive the vehicles. She also discusses unethical behavior by KBR. Various lessons learned include the recognition that establishing and maintaining relationships with the Iraqi nationals is important. Unit discipline was directly observed and demonstrated significant differences between Active and Reserve Component forces. A more culturally sensitive and disciplined approach to cordon...
