Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Rhymes From a World Unknown It is, I think, not unusual in people of talent to doubt of their own abilities. Certainly it is so in the sphere of the arts. The writer of these haunting little verses was always uncertain of her poetic talent. She wrote so little in verse that the fetters of metre perhaps weighed a little on her pen: but they left her spirit singularly free. A well-known - perhaps the most individual of our critics - has seen a wildness, a fineness of consuming feeling in her verse, which has haunted his memory. It is indeed strange and very sadly fanciful, and seems to me the highest expression of her character and genius. I have collected these few poems - would that she had had the confidence to write many more - knowing that her friends will value them. It is at once the portion and the privilege of introspective and retiring natures to have few friends, but to keep those few throughout life. The writer was no exception to the rule, and it is to the small circle of her intimates that I dedicate this little book.
