Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Three years after the epic adventure described in *Around the World in 80 Days*, Michael Palin was off again. Not circumnavigating the globe, but journeying from one end to the other: the North Pole to the South Pole. Following the 30 degree east line of longitude and using aircraft only as a last resort, Palin and his team endured extremes of heat and cold as they crossed 17 countries on trains, trucks, ships, rafts, ski-dooes, buses, barges, bicycles, and balloons. Whilst making his way down the world, Michael took part in an impressive and eclectic array of activities: a Russian kissing dance in Novgorod, a mud bath in Odessa, white-water rapids on the Zambesi and a squash game at 100 degrees Fahrenheit in Kartoum. All of these adventures and more, including trying to buy a camel, are described by Michael Palin in his usual vivid and humorous style, leaving you wide-eyed with wonder whilst also laughing out loud.
