## MURDER IN MESOPOTAMIA (FACSIMILE EDITION)

HarperCollins Publishers. Hardback. Book Condition: new. BRAND NEW, Murder in Mesopotamia (Facsimile edition), Agatha Christie, A facsimile first edition hardback of the famous Poirot book, with a strange death in the desert. When Amy Leatheran travels to an ancient site in the Iraqi desert to nurse the wife of a celebrated archaeologist, events prove stranger than she has ever imagined. Her patient's bizarre visions and nervous terror seem unfounded, but as the oppressive tension in the air thickens, events come to a terrible climax - in murder. With one spot of blood as his only clue, Hercule Poirot must embark on a journey across the desert to unravel a mystery which taxes even his remarkable powers. To mark the 80th anniversary of Hercule Poirot's first appearance, and to celebrate his renewed fortunes as a primetime television star, this title in a collection of facsimile first editions is the perfect way to experience Agatha Christie. Reproducing the original typesetting and format of the first edition from the Christie family's own archive, this book sports the original cover which has been painstakingly restored to its original glory.
