Brand New Book ***** Print on Demand *****.Excerpt from An Itinerary of the Route From Sikkim to Lhasa: Together With a Plan of the Capital of Tibet and a New Map of the Route From Yamdok Lake to Lhasa The materials for the compilation of the details herein set forth have been derived from thee various published and unpublished reports and diaries of the Exploring Agents of the Transfrontier Survey Department; and also, largely, from private conversations with Tibetan natives who have made the journey between Lhasa and Darjeeling. The Plan of Lhasa, which was originally based on that attached to the narrative of the travels of A. K. in 1882-84 in Great Tibet and Mongolia, has been developed into an almost entirely new projection with many additional names and the sites of old fixtures differently assigned, chiefly on information personally ascertained from old residents in the capital of Tibet.
