This item is printed on demand - Print on Demand Neuware - The current immigration crisis on our southern borders is usually debated from a safe distance. Politicians create a fear of the migrant to garner votes, while academicians pontificate on the topic from the comfort of cushy armchairs. What would happen if instead the issue were explored with one's feet on the ground--what the author calls an "ethics of place" As an organic intellectual, De La Torre writes while physically standing in solidarity with migrants who are crossing borders and the humanitarian organizations that accompany them in their journey. He painstakingly captures their stories, testimonies, and actions, which become the foundation for theological and ethical analysis. From this vantage point, the book constructs a liberative ethics based on what those disenfranchised by our current immigration policies are saying and doing in the hopes of not just raising consciousness, but also crafting possibilities for participatory praxis. He then eloquently practices what he preaches by inviting the reader into all those places where migrants are suffering--and dying--and struggling for liberation. When anyone asks me about 'the problem of immigration' now, I will hand them this compelling book. Be Presente!" --John Fife, Cofounder of the Sanctuary Movement "Hard-hitting and challenging, The U.S. Immigration Crisis exposes the dark side of current immigration realities. De La Torre puts a human face on biting policy critique by taking his readers to several conflictive places so that they might see the injustices and hear the undocumented tell their tragic stories. This is no neutral analysis, but rather an impassioned effort to redefine the national debate." --M. Daniel Carroll R. (Rodas), Blanchard Chair in...
