*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.In *The Truth About Lies: The Root of All Evil in Society*, the author reveals that sin entered the world when Adam and Eve believed a lie told by Satan. This led to the Great Disobedience that eventually opened the flood gates of hell to unleash all manner of evil into society. Lies, therefore, are the root of all evil in society. We are born liars and speak the language of lies, the language of our father, Satan. Lies manifest in all facets of society, including the church. There is no lie without truth. Satan is the father of lies; God is truth. To overcome lying, we must be born again of the Spirit and become children of God. Born of God, we acquire a new language - truth. To be proficient, we need to study and practice this language on a daily basis, and also teach it to people everywhere. Dr. George Acquah is a professor of Plant Breeding and Genetics at Langston University in Oklahoma. He is the author of seven college textbooks, one of which has been translated into Chinese. He is the winner of many prestigious local and national awards recognizing excellence in university teaching and service. His first published Christian book, *24-7: Living Life to the Max*, was very well received by all who have read it. He is the founder of the website livingforchrist24-7.org, to provide a forum for especially Ghanaian Christians, for growth and service at home and abroad.
