Why the end Simply because I have filled the allotted space. It were easy to pursue the subject, to go on adding chapter to chapter, returning to the farewells and partings, describing other notable weddings, and extending the notice of an army of royal grandchildren to great-grandchildren. Much might still be said of courtly doings in more recent days, of royaltys domestic life, and records of great and grand State doings. I have said nothing of the progress of trade and commerce, of mechanical and scientific discoveries and their practical applications, of the glorious spread of our Colonial Empire, or of the last half-centurys British wars, with all their stirring achievements and heroic deeds. The political conquests of the period have been but slightly touched, and more remains to be told of the grand, alternately upward-running and down-flowing, ever-advancing wave...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
