## EDUCATION FOR A SUSTAINABLE FUTURE

Book Condition: New. Publisher/Verlag: Springer, Berlin | A Paradigm of Hope for the 21st Century | This book illustrates how sustainability, information technologies, and envisioning the future can be effectively woven into an integrated educational experience. By understanding what it takes to build a sustainable community, students will develop the skills needed to engage successfully in a sustainable society. They will explore their own values, the values of the community and the values of society at large. Students will build...
