Painted Jay Publishing, LLC, United States, 2014. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Drawing Out the Muses is based on the premise that visual inspiration can be found anywhere; in nature, with household objects, though sound, using raw visual elements, dreams and even from being uninspired. This book shows you how sources of creativity can be found absolutely everywhere, and at anytime; while giving you countless ways of looking at absolutely anything resulting in infinite forms of expression. Artists will learn about the nature of creativity and different ways of seeing things, with over 300 fun and serious examples, step-by-step processes, exercises, ideas, explorations, things to do, and ways of interpreting the world around you, most with multiple variations from which to choose. Every last one is designed to give you something to work on or play with, while helping to spark your own creativity in the process. Drawing Out the Muses was written for all visual artists by any definition, who may be at any career level from beginner to accomplished professional, and working in any medium, including traditional crafts. It is for any visually-oriented person who is interested in expanding their own creativity. Designers, students, hobbyists, educators, workshop leaders and event planners will find this book considerably useful.
