Brand New Book ***** Print on Demand *****.Excerpt from **The Sunday School in Action: A Contribution to Some Phases of Religious Education, Especially for Parents, Pastors, and Sunday-School Workers** Because of the increased interest and change of emphasis in Sunday-school work, I have for some time felt that I might, in a humble way, be helpful to parents, pastors, and Sunday-school workers, by putting into book form some information and practical suggestions, the result of experience, observation, and study. Some of these chapters have already appeared in Sunday-school publications and suggestive leaflets. I gratefully acknowledge my indebtedness to many different authors and writers and to all others who have in any way contributed toward making this book possible, particularly, the writer of the Introduction, my very dear friend and former teacher. Rev. W. O. Fries, D.D., now a member of the International Lesson Committee, and Editor of the Sunday-school literature of the United Brethren in Christ. As I pen these lines, I pause for a little while in silent communion with my Lord, the Great Teacher, and ask him, by his spirit of wisdom and power to bless these pages that they might inspire all who read them to greater activity, a more intelligent and orderly leadership in the great and grand work of the Sunday school.
