Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Soldier: The Autobiography, Mike Jackson, General Sir Mike Jackson's illustrious career in the British Army has spanned almost 45 years and all that time he has shown loyalty, courage and commitment to the British army whilst also being an undeniable media attraction. A man of substance where foreign policy is concerned, he has served in theatres from the Artic to the jungle but is perhaps best known for his role in charge of the British troops to end ethnic cleansing in Kosovo, for assembling the British ground component of the coalition that toppled the Taliban, for equipping and organising the army we dispatched to defeat in Iraq and for re-organising the British army with aplomb. His drive, enthusiasm and dominating personality were always popular with his soldiers and drove him right to the top of his profession. He may have been a general but he never stopped caring about the men and women in his charge, despite the politics. "Soldier: The Autobiography" exhibits all the qualities for which Jackson is admired; his professionalism, his honesty, his directness, his exuberance and his sense of humour. Most of all it gives a vivid sense of what modern soldiering entails.
