Not illustrated. 1922 Excerpt: .A STUDY OF THE TEACHING OF AGRICULTURE IN PUBLIC SCHOOLS OF TEXAS Martin L. Hayes Professor of Vocational Teaching, Agricultural and Mechanical College of Texas Introduction In the short time that was available for this study it seemed best to limit the study to the high-school work. It was impossible in the time limit to study all the elementary schools and test out the agricultural teaching. It is hereby recommended that such a study be made by the State Department of Education or such committee or individual as the State Board of Education may designate. SECURING THE DATA The information had not been tabulated in the State Department of Education so that the list of teachers of highschool agriculture could be secured. A questionnaire was sent out to all the county superintendents asking for the name and addresses of each white teacher in the county teaching...

### Reviews

*Very beneficial for all type of folks. It can be rally intriguing throug studying time. You will like how the writer publish this ebook.*

-- **Nathan Cruickshank**

*Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
