

Public Secondary Education (Classic Reprint) (Paperback)

By Calvin Olin Davis

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Public Secondary Education In presenting this work to the public few explanations are necessary. The aim and purpose of the undertaking seemingly are clearly indicated in the title, and the justification for the production rests in the faithfulness with which these have been followed. Few will deny, I think, that the field of secondary education in America is to-day not only one of the most interesting fields of study in education, but that it is a most important realm of investigation and research. The high schools of America are largely the foundation upon which the colleges and universities stand, and they are at the same time the culmination and the stimulating ideal toward which much of the work of the elementary schools, is directed. They occupy a most important place in our system of education. They serve as agencies of culture for culture s sake, and simultaneously constitute preparatory institutions. Their character is therefore unique. In almost no other country in the world do schools of secondary education combine so many functions under a single...

Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.
-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.
-- Dr. Breana O'Kon
