We meet as alumni of our college, proud and grateful for her history, loyal to her interests, and confident for her future. We meet also as college men, members of that larger and growing brotherhood of scholars, with the cause of good learning at heart, and scanning eagerly every auspicious sign or boding portent of the literary horizon. Political or social topics, however strenuously they may challenge our attention as citizens or men, have their own occasions. Nor is it enough to meet the demands of this hour that the topic of discussion should be one of a merely general literary importance. The air is full of debate on college matters specifically. The discussion has taken on a wide range: - whether students shall be a self-governing body; whether compulsory attendance on religious exercises shall be maintained; how far his own election shall determine for the student his course of...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
