Modern Library, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for W. G. Sebald "How fortunate we are to have this writer's startling imagination freshly on display once again, and now in poetry. **ACROSS THE LAND AND THE WATER** is a rich collection full of little mysteries, unnerving insights, and odd reflections, all expressed in language honed to a perfect simplicity. 'The Three Wise Men/Are walking the earth,' his lines go, and at least one of them is W.G. Sebald." -- Billy Collins, former United States Poet Laureate "A significant addition to Sebald's main achievement - full of things that are beautiful and fascinating in themselves, and which cast a revealing light on the evolution and content of his prose . . . an important book." -- The Guardian UK "Now with the publication of *Across the Land and the Water: Selected Poems 1962-2001*, thanks to the translation and scholarship of Iain Galbraith, Sebald readers can hear the master's voice again and see in distilled form the Sebald landscape, as if for the first time. Sebald reminds me of the humanist tradition of Günter Grass or Heinrich Böll, company he unquestionably belongs to as poet, essayist and prose writer, one of the great artists of our time." -- The Irish Times "This selection of W G (Max) Sebald's poems will be treasure trove to his admirers. Brilliantly translated by Iain Galbraith . . . it includes works from the whole length of his creative life, cut short far too early in December 2001. In fact, read them all, and more than once. I would suggest reading the poems straight through first, then again side by side with Galbraith's notes - seldom is a set of notes to a text so entertaining..."
