

The Oval World: A Global History of Rugby (Paperback)

Filesize: 4.12 MB

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE OVAL WORLD: A GLOBAL HISTORY OF RUGBY (PAPERBACK)

DOWNLOAD

Bloomsbury Publishing PLC, United Kingdom, 2016. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. Rugby has always been a sport with as much drama off the field as on it. For every thrilling last-minute Jonny Wilkinson drop-goal to win the World Cup or Jonah Lomu rampage down the touchline for a try, there has been a split, a feud or a controversy. The Oval World is the first full-length history of rugby on a world scale - from its origins in the village-based football games of medieval times up to the globalised sport of the twenty-first century, now played in over 100 countries. It tells the story of how a game played in an obscure English public school became the winter sport of the British Empire, spreading to France, Argentina, Japan and the rest of the world and commanding a global television audience of over four billion for the last World Cup final. It also explores how American football - and other games such as Australian, Canadian and Gaelic football - emerged from their English cousin. Featuring the great moments in the game s history and its legendary names - David Duckham, Serge Blanco, Billy Boston and David Campese, alongside Rupert Brooke, King George V, Boris Karloff, Charles de Gaulle and Nelson Mandela - The Oval World investigates just what it is about rugby that enables it to thrive in countries with very different traditions and cultures. This is the definitive world history of a truly global sport.
