*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

When Anthony Forrest walked out of the office building, the only thoughts on his mind were of an impending birthday and a meeting with his wife for dinner. And a deadly bullet saw to it that they were the last thoughts on his mind. The problem for Detectives Steve Carella and Meyer Meyer of the 87th Precinct is that Forrest isn't alone. An anonymous sniper is unofficially holding the city hostage, frustrating the police as one by one the denizens of Isola drop like flies. With fear gripping the citizenry and the pressure on the 87th mounting, finding a killer whose victims are random is the greatest challenge the detectives have ever faced and the deadliest game the city has ever known. A gritty, relentless pressure cooker of a thriller, Ten Plus One is one of bestselling author Ed McBain's finest, the ultimate addition to the 87th Precinct series where time threatens to stand still and murder rules the day.
