I m so excited that you are taking this journey! As you take some time with these chapters each week, you are going to be adding valuable life-changing habits to your life that will connect you closer to Christ than you have ever been. How do you grow closer to something that is impossible to see and sometimes difficult to feel? How do you live a productive life on earth when you know there is so much more that this world is supposed to be? Do you sit back and wait for Heaven, just trying to stay away from sin while you are here? What truly is Heaven on Earth, and how are you involved in that? I m excited for you to be a part of these steps in your life and to learn more about your purpose as we move forward together. Each week you need to read and then apply one chapter of this book. This isn t the type of book you just want to read through and put on the shelf. This is an application book that only works through the implementation of the steps on a daily basis. None of this will be surprising or groundbreaking revelations, and most of it you will already know. The key with this material is this: although it doesn t take very long to read and complete on a daily basis, you have to apply it for it to work. You have said yes to this process by opening this book, so God is doing something in your life already that is giving you a desire to grow closer...
