Brand New Book ***** Print on Demand *****.As a minister of the gospel, you are not called upon to be a tax experts; however, the manner in which you handle this aspect of your life is just as important as preaching the gospel. Many have a misunderstanding of the laws applicable to ministers and churches which can lead to problems for your ministry. The scriptures clearly defines the responsibility of all regarding taxes. There are also scriptures urging all believers to respect the government and its elected officials. In this book, the author provides fundamental tax information in a simple language that will prove to be very useful to readers. It also contains illustrative lists and examples to guide readers through the complexities of the tax law. Setting The House In Order was written for pastors, ministers, and churches who desire to be obedient to the word of God, and compliant with the tax laws written by man. Pastor Aaron Rushing has 35 years of experience in the field of taxation and 25 years in ministry. Pastor Rushing holds a Master of Arts in Biblical and Theological Studies, a Bachelor of Arts degree in Business Administration with a concentration in Accounting, and a Certification in Biblical Counseling. These personal studies in theology, accounting and finance have stirred his interest in an ongoing study of God s Word as it relates to financial stewardship which he has shared with pastors and ministries throughout the country.
