

## GI Emergencies: A Quick Reference Guide (Paperback)

Filesize: 4.23 MB

### ***Reviews***

*A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.*

*(Mrs. Jacquelyn Gutmann)*

## GI EMERGENCIES: A QUICK REFERENCE GUIDE (PAPERBACK)

SLACK Incorporated, United States, 2011. Paperback. Book Condition: New. New.. 176 x 108 mm. Language: English . Brand New Book. GI Emergencies: A Quick Reference Guide contains practical information regarding the diagnosis and management of common gastrointestinal emergencies. Each chapter is written by a fellow or resident with an experienced clinician. This offers the perspective of a trainee, who has many basic questions about how to handle a given situation, combined with the experience of a seasoned practitioner who can guide the work-up and treatment of each clinical case. The result is a reference that provides the clinical acumen of a trained gastroenterologist in an easy-to-use format for physicians to approach GI emergencies efficiently and thoroughly. The dual-perspectives blend perfectly together to create a practical, evidence-based read for the learning physician. In GI Emergencies: A Quick Reference Guide, Dr. Robert C. Lowe and Dr. Francis A. Farraye, along with 20 contributors, help physicians deal with problems as they occur in a real-time format. Some Topics Include: \* Evaluation and management of acute liver failure \* Caustic ingestions, foreign bodies, and food impaction \* Nonvariceal upper GI hemorrhage \* Acute pancreatitis \* Complications of endoscopy The case-based format is less formal than that of a typical textbook, making it enjoyable without losing the educational value and evidence-based recommendations needed to provide excellent patient care. With succinct key teaching points, GI Emergencies: A Quick Reference Guide assists physicians who are training interns, residents, and medical students in training, making it an all-around reference for those in the gastroenterology field.
