Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Social security system if you can really play a social safety net. stable. must be able to cover the rural society. Separation pattern of rural society and urban society in the near future for a long time continue to exist. the farmers as a whole is still in socially vulnerable groups of farmers to ensure their basic survival and continued welfare. in order to reflect the need to establish a rural social security system a national qualification. maintaining social stability and development. especially in rural social stability and development. Impact conditions and constraints of the social security system in rural areas is not just the economy. the role of social conditions. Due to the constraints of the existing conditions. the implementation of the social security system reform and rural social pension insurance as a breakthrough in China's vast rural areas is inappropriate. Social conditions for the rural social security system and constraints often need to rely on a certain entity function. The effectiveness of this social mechanism that can be achieved through the selection and integration. Compatible with the dual social structure. in a fairly long period of time. the rural community should give priority to the establishment of rural minimum living security system and rural cooperative medical system. and improve the existing rural social assistance and the special care and placement system. encourage policy developed rural...
