QUESTIONS ON THE EPISTLE TO THE ROMANS: DESIGNED FOR BIBLE CLASSES AND SUNDAY SCHOOLS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Questions on the Epistle to the Romans: Designed for Bible Classes and Sunday Schools These questions are accommodated to the Commentary on the Epistle to the Romans, which the writer has recently published. He has, therefore, followed the division of the chapters into sections, and not attempted to divide them into lessons. As the proper length of a lesson depends so much on the age of the pupils, it must be left to the judgment of the teacher. For the sake of convenience, the sacred text has been printed above the questions relating to it. It may be found a difficult task for younger pupils to find the appropriate answers to many of the questions, which must be asked on such a difficult portion of the Scriptures as this epistle. But the effort at analysis, and the attention requisite to discover the answers, is an excellent mental discipline, which, although in this case only a collateral object, is one of no slight importance. In some instances, where the answers are not very obvious, they have been added by the writer. The questions on the Introduction must, of course, be passed over, where the students have not access to some other source of information than the epistle itself. The student will observe that in the references the figures indicating chapters are, in all cases, separated by a colon from those referring to verses.
